"The"

Day

Not only is he an excellent educator and a dynamic leader, he is our mentor and our friend. Mr. Otis Johnson has given unselfishly of himself for the perpetuation of Savannah State College. Words are so inadequate to express the love and appreciation therefore we, the Tiger Staff, dedicate the 1979 TIGER to Mr. Otis Johnson for unyielding dedication.

Dr. Thelma Harmond did not create the education department but, because of her intense dedication and sheer determination, it has evolved into a dynamic force at Savannah State" . . . like a mother bending over her baby . . .", Dr. Harmond has nursed the education department to its present state of maturity. We, the Tiger Staff, dedicate the 1979 TIGER to Dr. Thelma Harmond for a job more than well done but a job done excellently.

OFFICE OF
THE PRESIDENT

PRESIDENT'S MESSAGE

I should like to take this opportunity to express congratulations on behalf of the entire Savannah State College Family to the Editor, Staff, and Advisors of the 1979 Edition of the "Tiger." This publication has demanded much time and sincere effort on your part, and all of us are grateful to you for your dedicated and conscientious service.

To those of you who are departing, I consider it a great honor and privilege to extend to you hearty congratulations upon your graduation from Savannah State College. You are completing your work in a time of many social, economical and technological changes which are taking place at an amazing rate. These changes, which we face, place upon the shoulders of educated men and women great responsibilities which cannot be ignored or shirked. The college-trained person is expected to take the lead in helping to lift the masses of people to higher levels of social responsibility, political freedom, healthful living, and economic betterment. We hope that the training which you have received during the years at this institution will enable you to make a lasting contribution towards the achievement of these goals.

May this Yearbook provide you with a permanent and loving record of your contributions to the great history of Savannah State College, and may it serve always as a means of keeping alive in your hearts and minds the love and loyalty which you have for your Alma Mater.

Wherever you go and whatever you do, always remember that you carry with you the best wishes of the entire Savannah State College Family for your happiness and success. As you go forth from the College, always keep in mind your responsibility to yourselves, your fellow citizens, and your God.

I remain

Sincerely yours,

SPORTS

TO THE SSC FAMILY

The 1979 TIGER has experienced a very trying school year; everthing seem to have gone wrong--from the desegregation plan to the 1979 edition of the TIGER. I am very sorry to say that due to limited funding we could not produce all of our sections this year; however, we have tried to do the best job that we could under the circumstances. I would, also, like to apologize to our athletic department for not having the funds needed to cover our many fun-filled sporting events, but I am looking forward to a budget next year that will be appropriate to our needs here at SAVANNAH STATE COLLEGE. Please, as you turn through this sports section, do not think of it as a reproduction or duplicate of the 1978 TIGER but rather a continuation of the greatness of last year's athletes.

Thanks very much for your cooperation.

Sincerely,

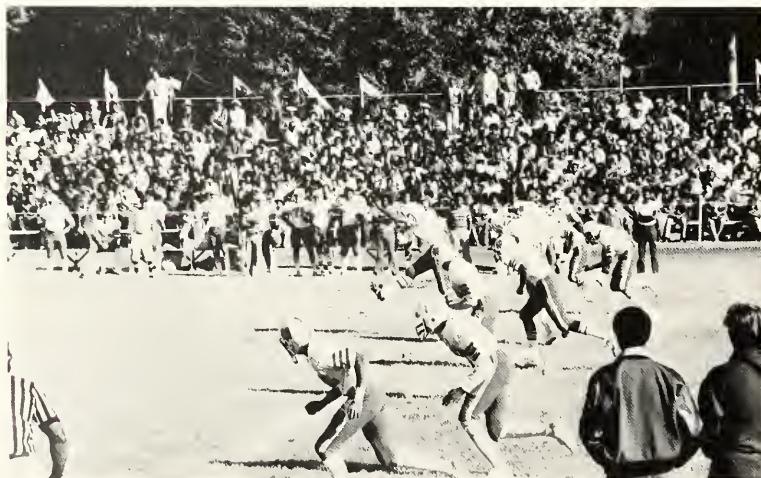

The 1979 TIGER STAFF

Head Football Coach Frank Ellis

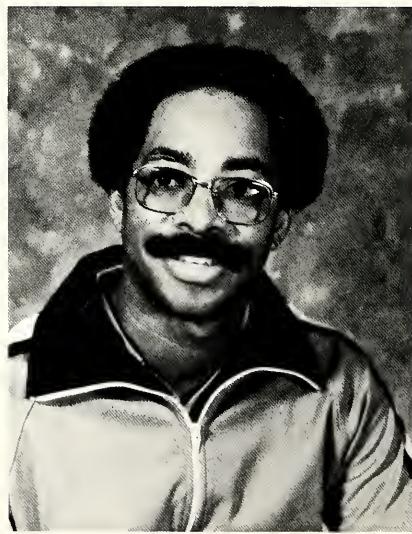

After serving as an assistant for so long, young Frank Ellis is now head Tiger mentor that put SSC back on the football map.

Ellis played football and basketball for Johnson High and later for Savannah State. He played quarterback for SSC, and his knowledge will really help the quarterbacks.

Ellis's enthusiasm rubbed off on his players. The 1977 season is ancient history to him, as he envisions the Tigers embarking upon a new era, winning more than last year.

He did a lot of recruiting in '77 after getting the job for '78 has signed 15 men. All were outstanding players in high school and Ellis hopes this carries over into college ball. Ellis isn't making any predictions.

Editor's Message

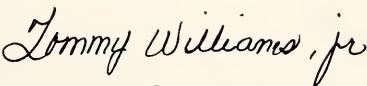

Student Publications

S.S.C. NOW, THEN, AND FOREVER is really appropriate for this year's edition of the TIGER, for this may very well be the last year for Savannah State College as it presently exists. Next year we will lose our Division of Education to Armstrong State College, which is one of the best in the South, if not "THE BEST" and our Division of Business Administration will join with Armstrong's Division and become united as a School of Business located on SCC's campus. To the Students, Faculty, and staff of Savannah State College, as you look or have looked through this publication think again about what these pictures and words represent and then start from page one again and obtain the true meaning of our theme: SSC NOW, THEN AND FOREVER—KEEP IT BEAUTIFUL. I hope that on the second "go-round" you will be able to understand what it means for a Black College to survive today.

I would like to thank God for letting me be a part of this historic school; special thanks is also given to the many students and faculty members who have expressed their interest in this publication.

I would also like to say on a final note, that, all students who will be matriculating as Savannah State College for the 1979-80 school year to please feel free to exercise your rights and privileges as a student and put forth more effort to see to it that changes are made when needed.

Sincerely yours,

Tommy Williams, Jr.
Editor-In-Chief '79 TIGER

Richard A. Rivers

Associate Editor

To capture Savannah State College in all of her majestic splendor was my goal for the 1979 TIGER. I sincerely hope that I have been successful in attaining that goal.

This book is the culmination of hours of hard-work, incessant determination, and unyielding love. A dedicated staff, who freely gave up their Saturdays, is to be commended for a job well-done.

As always, there is one person who does his job and the job of everyone else. In our case, that special person is our editor, Tommy Williams, Jr. Through his patience, kindness, understanding, and knowledge, you see before you the '79 TIGER. Without Tommy Williams there would be no TIGER!

And last but not least, I wish to extend my heartfelt gratitude to the teachers, the staff, and the students, for without you there would be no Savannah State College. It is because of you and others like you that Savannah State existed then, exists now and will exist forever!

Sincerely,

Richard A'darryl Rivers
Associate Editor

SCHOLARSHIP

RECIPIENTS

Dr. Mary C. Torian, chairman of the Savannah State College Campus Chest Committee, announces the scholarship recipients for the 1978-79 academic year. Wendy Speede, Division of Business Administration; Burnette Rooks and Carolyn Simmons, Division of Education; Sandra Reddick, Division of Humanities; Marcia L. Johnson, Division of Natural Sciences; Tom J. Adams, Divis-

Savannah State College is on the move! This was only one of the many expressions used to describe the impression many received from Expo '78. Savannah State College's "Expo '78" was held on September 23 and was a total success. Planned and coordinated by the Student Government Association and other interested students, preparations for Expo '78 began in early July. Mr. Bobby Adams and Mr. Dan Robertson assisted the students in coordinating this first time ever event!

There were a number of community awareness programs that participated in

Check, Savannah Police Department, Georgia Department of Public Safety, NAACP, the Young Democrats of America, the U. S. Army and many other groups gave their full support to make Expo an interesting, educational, and informative day.

There was also fun and games for the crowds present. There were sport events such as the four-mile run, volleyball, tug-of-war, dodge ball, table tennis, sacks races, and frisbee throwing contests. Checkers, backgammon, and chess tournaments were also held. Trophies and ribbons were given away to

cartoon film festival and by the film, Treasure Island. They also enjoyed the facilities of the nursery's playground.

The students of SSC and people of the community were entertained by several bands throughout the day. The 24th Infantry Division Band from Hunter Army Airfield opened Expo with a variety of musical sounds. Chocolate Snow, Brothers Funk and the Zodiac Players all added to the festivities with their musical talents. Brother Monday also assisted in giving Expo rhythm by laying down some very hot wax.

Many groups were barbecuing, selling hotdogs or candied apples. And there were free sodas provided by the Coca-Cola Bottling Company and there was a free crab boil.

The Student Government Association would like to thank everyone who made Saturday, September 23rd such an explosive event. Most deserving of praise are the students that served on the committee and those who helped supervise the events. To the SGA keep up the good work.

There is hope that such an event will occur again; therefore look forward to an even

direct and indeed powerful. He stressed to his listeners that UNITY among black people is most important and that one of our main goals in our struggle to survive is to obtain economic power. Scott declared that we must become aware of the dangers of separating ourselves. "Only in unity is there

for the years, our Black ages have paid the price to stay alive," Scott expressed honestly. He also emphasized the struggle of Black people in the 1960's; how it was a time of sit-ins and the emergence of Martin Luther King, Jr., and Malcolm X as two of the great spokesmen for the Black Revolution. Scott explained that the central issue then was race and violence, but now in obtaining a clearer focus we have come from fighting for "civil rights to political rights."

Rep. Scott addressed the

walk around or party around thinking that everything is much better today - because it is not!

According to Rep. Scott, there is a new racism on the rise in today's society: 25 years ago racism was visible, but today it is even more vicious because it is invisible.

"The survival of Black colleges is at the crossroads," Scott stated. He alluded to the idea of a pendulum swinging in this country. "The conservative, reactionary, discriminatory pendulum in this country

is steam. It's swing is swinging fast, it's low; the blade is we all might have to survival of Black is yet to come are on the generation and me!"

it left us with much out. He did well in is grandfather once n on how to give a ch-make it like a skirt should be.. enough to cover th it short enough to resting!"

all remember what told us: "Every has its challenge yours".

of you unity, peace vibrations.

OUR ALMA MATER

LET US GIVE THANKS AND PRAISE TO THEE,
TO OUR ALMA MATER, S.S.C.
THINE HONOR, PRIDE, AND EMINENCE,
WE RAISE IN PRAYERFUL REVERENCE.

GUIDE US STILL FROM DAY TO DAY,
BE THOU MINDFUL LEST WE LOSE OUR WAY;
HELP US KNOW THAT LIFE, SHORT OR LONG,
MEANS UNCEASING WORK FOR WEAK AND STRONG.

REFRAIN

WHERE SAVANNAH MEETS THE SEA,
WHERE GRASSY PLAINS AND PALMS ABOUND,
WHERE THE FLOW'RS ARE GEMS OF LOVELINESS,
THERE S.S.C. IS FOUND.

WE ADORE EACH BEAUTEOUS SCENE AND HALL,
OUR ALL WE PLEDGE TO THEE!
IN OUR HEARTS WE'LL BUILD A SHRINE FOR THEE.
WE HAIL THEE, S.S.C.
